

Week of July 8

God's Move to Fulfill His Economy

God is moving, working, and managing the world affairs to fulfill His eternal economy, to make Christ everything to mankind for the bringing in of the kingdom, the age of restoration. (Minor Prophets, msg 1, I.C) Amen. Move in, through, and around us this week, this month, and this year!

Video Trainings

Please pray 1) for the release of the Lord's word to the churches; 2) for the receiving of this word; and 3) for translations needed to reach churches in all parts of the earth.

West Coast College Training

Approximately 415 saints are in Northern California for the West Coast College training, July 9-15. This includes at least 65 saints from Los Angeles (11 serving ones and 54 students). The subject is "The Course of the Church." Last year Satan fought strongly against the training, and we need much prayer to cover this year's training. Please pray that the Lord would fully capture each of these students with:

- 1) A vision of the church and a desire to be an overcomer
- 2) A solid learning concerning how to spend personal time with the Lord
- 3) An aspiration to exercise their spirit in daily life
- 4) A resolution to rise up and take the lead to bear fruit on their campuses

Midwest and East Coast College Trainings

These trainings are July 16-22. Their subject and burden is the same as the west coast training.

Summer School of Truth

The summer school is July 16-29. Please pray for 1) the Lord's blessing of life on the coordination of the serving saints, 2) all the young people to receive a fresh and up-to-date vision of the church, and 3) for lasting connections between young people and college students.

Turkey

In order to publish and print our literature in Turkey we are planning to establish a publishing company in August. Please pray for all the procedures and needs in establishing this company. We hope the Rhema materials can be printed and distributed within this year.

Bulgaria

Please pray for the translation of the free books and for the preparation of the seeking ones.

Recovery Version Distribution in United Kingdom

Continue to pray for the distribution during the Olympic torch relay, in many cities in the UK, until July 27. More information is at <http://distribute.biblesforeurope.org>.

Europe

Please continue to pray for the Lord's mercy on the readers of the free literature distributed by Rhema throughout Europe and for His shepherding them through local saints and full-timers into the church life.
