

# Week of January 12

## The Mending Ministry of Life

Lord, flow richly in every part of Los Angeles to fix, restore, perfect, complete, adjust, equip, and attune us so that we might shepherd many others in life and be built up together to be Your organic Body.

## USC

USC begins spring semester classes this week. Please pray strongly that:

- 1) The Lord would build the student core together as a strong net to catch many fish, especially freshmen newly admitted for this semester.
- 2) Many of the newer and younger students would rise up and participate in catching fish at USC.
- 3) The Lord would continue to gather brand new ones to our campus ministry meeting and bless us with the fresh speaking of His words of life.
- 4) College students could also function in shepherding the young people and those in the high school and junior high Bible clubs in the downtown area.
