

## Week of October 18

### Do you love Me? Shepherd My sheep.

Lord, draw us to love You more intensely that many others may be shepherded and drawn to love You.

### Junior High Conferences

The junior high conferences are October 23–25 in Riverside (brothers) and Diamond Bar (sisters).

### L.A. Joint College Meeting

This Saturday, October 24, 6-9 pm we will have our Los Angeles joint college meeting at UCLA. Please strongly pray for: 1) many college students to be released to come from all parts of Los Angeles, 2) solid blending and relatedness to be built up among the different campuses, 3) the strong release of the spirit and the Lord's fresh speaking. May the Lord perfect us into one so that more in Los Angeles may believe into the Lord Jesus (John 17:21)!

### Venice High School

Five of our young people started Venice High School this school year. They formed a club called "Venice HS Bible Club." A teacher agreed to sponsor them, and they plan to have their first meeting within the next two weeks. Two of their friends from junior high have said they would join them. Please pray for these two friends. Also pray that the Lord would be the boldness for these young people as they invite more of their friends, and that He could attract and draw many off this campus for His purpose.

### Winter Training Registration

The winter training is a time to receive the Lord's fresh speaking. Ask the Lord to release more saints from everything else to participate in this training in Anaheim or in the videos in Los Angeles. Ask the Lord to stir our hearts to pursue Him actively (not passively) so that He may become our new revival.

### Spanish-Speaking Conference

There will be a Spanish-speaking conference Saturday, October 24. This conference is open to all the saints in the churches and there is no need for registration or donations. Child care will not be provided.

4:00–6:00 pm First Meeting

6:00–7:15 pm Dinner Break (bring your own food and water)

7:30–9:00 pm Second Meeting

May the Lord bless this special time with His presence and speaking. Pray for many to attend and for the word of God which they will hear to operate in them (1 Thes. 2:13).

### Northern California College Conference

The Northern California college conference is this weekend. The subject is Loving Seekers and the Word of God, with the desire that every student have a fresh touch with the Lord in His word. The speaking brothers are Brian Adamo (San Diego) and David Schontzler (L.A.).

### European Brothers Training and Blending Conference

Brothers from the churches in Europe will gather in Baarlo, Netherlands for a three-day training (October 20–22). They will view the messages given at the fall ITERO in Brazil and receive crucial fellowship regarding the Lord's move in Europe. Pray for the perfecting of all of these brothers.

Following this training, saints from all over Europe will gather at the same location for an international blending conference (October 23–25). Pray for the blending of the churches and the saints, as well as the advance of the Lord's recovery in Europe through the word of the ministry and the fellowship released in these two gatherings.

## Europe and the Refugees

The mass human migration out of the Middle East into Europe is a divine opportunity arranged by the Lord's hand. In late September a small group of brothers visited border crossings and refugee camps, speaking with both officials and refugees. A summary of their report is that many refugees are young, educated, and open to receive care and even the gospel.

We should all pray that many will receive the gospel and that some will propagate the gospel among their fellow refugees. Also, if anyone has some ability in Arabic or Farsi and is burdened to participate, please read the letter at [www.churchinlosangeles.org/prayer/](http://www.churchinlosangeles.org/prayer/). Or, if anyone has the burden to pray faithfully for this situation, please read the same letter.

## Asia

Petition the Lord to release an abundant supply of the Spirit for the building of His Body in the conference and serving ones' training in Bangladesh (October 22-24), the college students' conference in Cambodia (October 23-25), and the conference in Nepal (October 23-25).
